

CENTRIC POLISHING MACHINE WITH BATTERY

GENERAL

CODE	DESCRIPTION
BACPM05	Centric polishing machine with battery

DESCRIPTION

Gerko centric polishing machine with battery gives the perfect solution for paint polishing, surface finishing, waxing and descaling. The rotary polisher on 18V battery has a 150mm support pad, adjustable speed and a powerful carbon brushless motor. Thanks to the rotary action of this cordless polisher, a lot of heat is generated, allowing you to achieve high levels of paint correction during polishing.

FEATURES

- Cordless polisher equipped with a brushless motor
- Features a spindle-lock function for quick and easy pad changes
- With LCD screen to display speed in real-time
- Anti-dust switch to ensure longer lifetime
- Attractive and ergonomic design for user comfort
- Soft grip for comfortable use
