

## DUCT TAPE

### GENERAL

CODE	DESCRIPTION
<b>CTZ50</b>	Duct tape black 50mm x 50m
<b>CTG50</b>	Duct tape grey 50mm x 50m

### DESCRIPTION

Gerko duct tape has been specially developed to protect vehicle parts during sanding and blasting work. Also useful when transporting a damaged vehicle.

### PROPERTIES

- Excellent adhesion properties at low & high temperatures
- Good performance on rough surface
- Excellent tearing & unwinding
- Clean removal for long period
- Free from silicone
- Easy to tear off in both length and width
- Can be applied to plastic parts, spoilers, bumper strips, mirrors, but also sheet metal

### NOMINAL VALUES

	VALUE
<b>Carrier material</b>	Laminated linen
<b>Width</b>	50mm
<b>Length</b>	50m
<b>Thickness</b>	0.30mm
<b>Mesh</b>	70 mesh
<b>Tensile strength</b>	44 N/cm
<b>Stretch</b>	9%
<b>Adhesive strength on steel N/25mm</b>	18
<b>Temperature resistance</b>	60°C
<b>Packing</b>	Per roll in a plastic bag
<b>Packing unit</b>	18 rolls in a box
