DESCRIPTION

Gerko Infinity foam discs are a high-quality product for professional sanding and matt finishing. Due to the flexible foam, the disc adapts to the surface during sanding for a nice and even sanding pattern. The product has very good initial and permanent cutting power for use on clear coats, paint, primer and plastics and can be used both wet and dry. This sanding disc is ideal for use by hand as well as on a sander.

FEATURES

- Sanding disc on foam backing
- Can be used wet or dry
- Sanding disc adapts to the shape of the surface
- Ideal for wet sanding of headlights
- Aluminium oxide sanding grain
- Suitable for use by hand or machine
- Excellent dust control
- Special discs with excellent cutting action and finish
- Velcro backing
