DESCRIPTION

The superior nylon spray overall from Gerko is a durable gray overall with exceptional wearing comfort. The overall is provided with air ventilation on the armpits, the back and the back of the hood for optimal heat regulation. The use of elastic material ensures that it fits perfectly. In addition, it is lint-free, silicone-free and anti-static.

FEATURES

- Very comfortable to wear
- Antistatic coating
- Dust-, silicone- and lint-free
- Durable with concealed zipper
- Protects against overspray
- Tight-fitting neck, sleeve and ankle cuffs
- Breathable and ventilated back ensures efficient heat regulation
- Optimal wearing comfort throughout the working day
- Long lasting
- Washable at 30°C
