

## SOFT FLEX ABRASIVE

### GENERAL

CODE	DESCRIPTION
SR0150	Soft flex abrasive - P150
SR0240	Soft flex abrasive - P240
SR0320	Soft flex abrasive - P320
SR0400	Soft flex abrasive - P400
SR0500	Soft flex abrasive - P500
SR0600	Soft flex abrasive - P600
SR0800	Soft flex abrasive - P800
SR1000	Soft flex abrasive - P1000

### PROPERTIES

- Packaged in a dispenser box keeping the abrasive free of dust
- Prevents edge chafing
- Roll of 25 m long with perforated pieces of 125 mm x 115 mm
- Sandpaper on roll with foam backing
- For manual sanding of difficult, profiled surfaces
- Stearate coating prevents clogging of sandpaper
- Adapts easily to round, convex or concave shapes
- The foam substrate provides even pressure distribution, reducing the risk of chafing
- Semi-open grain distribution

### TECHNICAL SPECIFICATIONS

Backing	Paper
Grit	Semi-open
Adhesive	Resin
Coating	Aluminium oxide
Format	Roller
Grit range	150 - 1000
