SP090	Silicone paper - 90cm x 240m
SP100	Silicone paper - 100cm x 240m
SP120	Silicone paper - 120cm x 240m
SP150	Silicone paper - 150cm x 240m

### DESCRIPTION

Gerko silicone paper is a special masking paper provided with a glossy protective layer on both sides. This masking paper, weighing 58 g, is ideal for working with the most demanding paints, powder coatings and baking finishes. Thanks to its extra strong quality, the paper is also excellent for vertical applications.

### FEATURES

- 58 gr./m<sup>2</sup> paper
- Extremely suitable for masking cars, parts, etc.
- One side is glossy, making this paper waterproof
- Dust-free
- Available in different sizes
