

CELLULOSE THINNER

GENERAL

CODE	DESCRIPTION
CT05	Cellulose thinner 5 L
CT10	Cellulose thinner 10 L
CT25	Cellulose thinner 25 L
CT200	Cellulose thinner 200 L

DESCRIPTION

Cellulose thinner is used for diluting cellulose paint. Thinner is a very powerful degreaser and is therefore also extremely suitable for removing paint residues from paint guns and paint brushes. Dried paint stains and glue spots can easily be removed with this product.

PROPERTIES

- Thinner of paints
- Cleaning of spray guns
- Cleaning of paint brushes
- Removing blocked spray guns
- Removing dried paint spots
- Removing glue residues
