

## ADVANCED CUT POLISHING PASTE

### GENERAL

CODE	DESCRIPTION
POL130	Advanced cut polishing paste 1KG

### DESCRIPTION

Gerko Advanced Cut Polishingpaste is the innovative sanding polish for clear automotive paints. Advanced cut polishing paste removes sanding marks and signs of use in the shortest possible time and guarantees a perfect surface. It effectively removes paint mists and sanding marks up to grit P1500.

With its extremely homogeneous sanding grit, Gerko advanced cut achieves an extremely high cutting level with excellent gloss. Long-lasting polishability without sticking and with low dust formation. Extremely suitable for all types of paint.

### PROPERTIES

- Polishes and produces gloss in one step
- Saves time thanks to 1-step polishing process
- High efficiency
- High gloss level
- Silicone and solvent-free
- Heavy cut, medium cut and finish in 1 bottle
- Easy to clean
- Water-based
- Low dust formation

### RECOMMENDED USAGE

1. Clean the surface thoroughly before polishing.
2. Shake the bottle before use and apply a small amount of the product to the polishing pad.
3. Use the Gerko Advanced Cut Foam Pad.
4. If using a new or dry pad, apply enough polish to prevent the formation of visible holograms.
5. Use a rotary or an eccentric polisher and apply the cross-coating method. Apply light pressure at the beginning of the polishing process. Remove the pressure in the last cycles and increase the speed of the polisher by 10%.
6. When working on very dry coatings, spray a little water on the surface to prevent dusting.
7. Initially, the paint will look a little milky and should be worked in until only a slightly transparent/oily film is visible.
8. When finished polishing, remove any residue with our Gerko Superior Microfibre cloth, without applying any pressure.
9. Whatever the surface requirements, use Gerko Anti-Hologram Polishing Paste with the Gerko Anti-Hologram Foam Pad to achieve the best high-gloss finish.

## ADVANCED CUT POLISHING PASTE

### STORAGE

5 - 30°C, avoid frost and direct sunlight

### POLISHING TOOLS

- Lambswool
- Gerko Advanced Cut Foam Pad
