

CLEANING CLOTHS

GENERAL

CODE	DESCRIPTION
RD10	Cleaning cloths on roll

DESCRIPTION

The Gerko cleaning cloths with high absorbency and a soft, bulky texture for comfortable handling. Ideal for a wide range of applications in the workshop and bodyshop, such as degreasing and cleaning with solvent- or oil-based products. They efficiently pick up dirt and residues and help leave surfaces clean and ready for use.

FEATURES

- Low lint
- High oil absorption
- Soft to touch
- Solvent resistant
- Can be used dry or wet
- Absorbs water and oil
- Chamois leather effect
- Silicone-free
- Can absorb up to 8 times its own weight
