

SUPERIOR HAND CLEANER

GENERAL

CODE	DESCRIPTION
SHC38	Superior hand cleaner 3.8l
SHC03	Superior hand cleaner 300 ml

DESCRIPTION

A high-quality hand cleaner for the removal of extremely heavy soiling at car repair and construction companies, among others. Superior hand cleaner is formulated on the basis of high-quality dibasic esters and, in combination with a natural corn microgranule, is the most powerful hand cleaner, removing extremely heavy soiling such as 2-component glue, lacquer, sealant, paint, polyurethane foam, (epoxy) resin, etc.

FEATURES

- Excellent cleaning power
- Solvent-free and pH neutral
- Moisture regulating
- Pleasant fragrance
- Formulated with skin-friendly, natural and biodegradable cornmeal scrub
